2. Financial Update, if figures are available.
   - NOTE: all funds should be submitted to the Rent Manager
     a. Jacobs Road: Rental Income and BUC Expenses
        - No changes to report
     b. Community Hall: Rental Income and BUC Expenses
        - CH Fund has $3,004.
        - Heath Agricultural Society submitted a check for $180 in rental fees for monthly meetings and a $60 security deposit check.
        - Victoria Burrington submitted a $20 donation.
     c. Donations-Uncles Concert sponsored by Heath Historical Commission
        - $180 was collected during the concert. Susan Gruen has possession of it at this time.

3. Requests and Rentals Updates, if any
   a. Kitchens-Alice Thompson
      - No inquiries for JR kitchen rental use at this time. The one potential renter who wanted to use the kitchen to craft pizzas was confused by the insurance requirements listed on the BUC webpage.

4. Insurance requirements for one time business rentals
   - Businesses or non-Heath residents pay rental fee of $50 per hour.
   - Heath residents pay rental fee of $50 for three hours.
   - For one-time rentals the BUC determines if the waver signed by the renter is all that is needed. In some cases, an insurance rider may be required in which case renters may be required to show a certificate of insurance, naming the Town of Heath as also insured. In most cases, the waiver signed by the renter is all that is needed.
   - Based on usage, the BUC can recommend to the renter that they confirm with FRCOG that they have all the permits and licenses they need. It is not the BUC’s responsibility to review those permits and licenses.

5. Web Page Updates
   a. Policy and Procedures updates
      - Alice Thompson, Pam Porter and Pat McGahan will meet to review and update the webpage regarding sponsorship, permits, certificates, and insurances.
      - Reviewed who has to pay for rental and who doesn’t. Town Boards and Committees do not pay. Programs that are organized by town organizations can be held without a rental fee. Heath Agricultural Society, Heath Cultural Society, Heath Historical Society and Exhibit Commission (Art Show) would be required to pay a rental fee.
6. Generating income for Community Hall: Rentals, grants, donations, fundraising, town budget
   - Clarified that rents generated from Community Hall should be used for maintenance expenses. Funds generated from grants, fundraising and town funds should be used for repairs and big-ticket items.
   - The idea was raised about the BUC doing some fundraising at some point.
