Snowplowing - members should give name to Lyra if notified of need.

Homebound seniors - Lyra has updated list from the Board of Health. Will talk with Kathy Stosz re visiting those who want it; Lyra will check if she needs a CORI check. Agreement made to honor Ruth Johnson at January's senior meal; Sue has invited the new town coordinator to meet seniors at the meal.

Patio grant proposal: Pat McGahan has offered to write the grant to LifePath to cover excavation and concrete pad. Waiting to get estimate for concrete pour.

Nurse position: With possible controversy over need, consensus made to write the Select Board urging regular replacement after current town nurse retires, with following points: 1) Town location; 2) # of seniors; 3) serves entire town; 4) need for daily presence; 5) house visits every week; 6) one-on-one encounters with person and family; 7) ER/ambulance calls avoided. Council on Aging Report, January 2026

Lynne Feldman from Lifepath reached out to offer to attend a COA meeting to share information and updates with us, answer any questions, and meet COA members. I'd like to make a plan to invite her to an upcoming meeting.

Upcoming programs: A winter walk with Bill Lattrell is planned for Sunday, February 8th at 10:00, with a weather date on Feb. 9th. Fridays don't work for Bill's schedule at this point. If there's snow we'll be able to learn about tracking animals, in addition to forest ecology. I wanted to do a workshop in March but decided against it because of several library mosaic workshops planned throughout March. We will likely plan the beginner's painting class for April. There's also a slideshow and casual talk being planned by Lynn & Rol about their Galapagos Island trip, and they may use the senior center to present it. Plans are not complete so I'll keep you updated, it will be sponsored by the library (and maybe the COA?).

Grants: We received the application for the Fred Wells Trust grant for the foot clinic. The COA was awarded \$280 from the Heath Cultural Council for the painting class with Simonne.

Finances: Working with the treasurer and the accountant to make sure all accounts are in order. Sue and I will work on and submit a budget planning worksheet to the Select Board. We plan to ask to consolidate a couple of accounts as advised.

Other: There has been an offer of free snow plowing for seniors from Heath resident Leslie Evans.

Follow up with Kathy Stocz: I will contact her about the list of people who may like a visit, we received an updated list of seniors. Kathy had mentioned that Ruth J. might be interested in coming to a senior meal (and she could bring her). If Ruth would like to go, it would be great to honor her for her 97th Birthday at the January meal.

Victoria made me promise I wouldn't miss another senior meal, but the timing of when we go on vacation makes it difficult in June, and now we have a good routine going with the meals. If I get everything in place before I leave, are you o.k. with me missing the senior meal in June? (asking now so I can make camping reservations, thanks!)
