

Minutes of the Meeting of the Heath MLPAC on WG&E Information Session
February 25, 2021 at 2:30 pm

Present: MLPAC: Art Schwenger, Jan Carr, and Ned Wolf;
MLP Manager, Sheila Litchfield
WG&E: Laura Dorman, Teah Dempsey, and Caitrin Ferriter at 2:37

This virtual meeting was called to review the content and process for the planned Heath Broadband Information Sessions on March 10 and March 13. Because of the virus prohibitions, WG&E in-person info sessions are being replaced by virtual meetings which they have now conducted twice—in Chesterfield and Blanford.

WG&E will emphasize that they are a municipal company. March 19 will be stated as the deadline for signing up to get the construction credit, and Heath's prices will be made clear. WG&E will take time to explain how one can raise one's hand during the virtual meeting.

Time will be given to explaining the options for paying.

Sheila spoke of how 41% of Heath's potential subscribers are seasonal. There should be time taken to explain Heath's disconnect/reconnect policy.

Laura asked whether the informative emails WG&E has prepared should be sent out before the virtual information session. The MLPAC said yes because it would stimulate questions.

The meeting adjourned at 3.

Respectfully submitted,

Ned Wolf
