Discussion points:

Wifi Pole on Schoolhouse road:

Florida, Hawley, Munson & Savoy multitown wireless network. FHMS would like to Install a 60 foot wooden pole in order to service several homes in Hawley. We asked the following questions:

How high above the pole is the equipment? 10 feet.

What other buildings are required? 1 shed, 3x6x4 feet.

The transmitter would service 12 homes that cannot currently be reached in Hawley, on the opposite side of Berkshire East.

FHMS will remove the pole if the company is terminated.

FHMS will hold the insurance.

FHMS would like to be exempt from 6.10.4 annual reporting of maintenance and insurance coverage.

An alternative location is ledges road in Heath Center.

We will schedule a public hearing for this issue after another meeting to clarify legal issues and concerns.

Jim Wickline asked about the possibility of building a detached apartment. We decided that we would have to investigate the possibility of changing the bylaws to allow detached apartments.

We approved the meeting notes from our last meetings (8.28.2020 & 9.28.2020)

Cal will set up a meeting with Jim Hawkins to discuss actions required to implement the clarified legal status of the Estates.

Doug moved that we close the meeting, Bill seconded.

Meeting closed at 6:30 pm).

Respectfully Submitted,

Douglas Mason
