Discussion points:

Ed Pare presented for ATT. The meeting was recorded and is at.....

We discussed different aspects of the proposal:

- Aesthetics and visibility from various locations from which the tower can be seen.
- Our technical consultant, David Maxon presented his ideas on the technical options and viability.
- We discussed the height request and the coverage at various levels. There seems to be little gain over 136 feet.
- Financial impacts on competition with Heath's broad band service.
- The possibility and probability of a third party constructing and owning the pole.
- The plan to rent space on the pole to other services at 10 foot intervals
-

Doug moved to continue the meeting at 7:00 pm on May 24th. Bob Seconded, passed unanimously.

Doug moved that we close the meeting at 9:58pm, Bill seconded.

Meeting closed at _____ pm.

Respectfully Submitted,

Douglas Mason
