Hello Pickleball players of Rowe & beyond...

Now that we almost have the chill of the cold winter and the snow flurries behind us it's time to head outdoors to play this ever growing game of Pickleball.

THE COURTS ARE OPEN!!!

BIG thanks to Briel, our ever smart and hard working Park Manager.

Now to set in motion the days and times to play.

What I'm thinking about is Mondays/ Wednesdays / Fridays 4pm to 7pm

Open play and as we proceed we can fine tune skill levels and initiate a competitive court depending on interest.

Personally I will be absent from play with travel to Florida & the PPA PB Tournament in Atlanta GA and playing at the Hatfield Rally House with Mike Laffond Until May 18th.

Saturdays from 9am to 11am or beyond are open to newer players and players that want to play against others more interested in soft play and more fun than competitive level of play.

There is a new storage box that should contain loaner paddles if needed and a few Pickleballs. There are 3 nets put up with the potential of a 4th.

There are combo locks on both gates so when you leave please make sure the main entry gate is locked.

Also please respect the limited parking at the park. Parking can be had for non residents on the grassy area near the trail sign or at the school .

Questions or Comments should be directed to

I would encourage you to start trading contact info with people you want to play with and have fun with. Birds of a feather Flocking together.

I will be putting together another Friendly PB tournament for the Rowe Summer Social. I think it's in July.

Should stop snowing 🌨️❄️ by then!!! 🎉😊😊
