

Town of Heath
Job Announcement: Town Nurse (Part-Time)

The Town of Heath is seeking a qualified RN to provide professional nursing and public health services that promote the health, safety, and well-being of residents.

Approximately 8 hours per week

Key Responsibilities

- Promote community health through education, prevention, screening, and early intervention
- Conduct home and clinic visits, patient assessments, care planning, and advocacy
- Provide telephone triage and consultation
- Collaborate with Town of Heath Board of Health, Community Public Health Services, health care providers, emergency services, social service agencies, and the Massachusetts Department of Public Health

Qualifications

- Current license as a Registered Nurse licensed in Massachusetts
- Ability to work independently and collaboratively
- Valid Massachusetts Driver's License and access to a personal vehicle
- Current First Aid and CPR certification

Submission

- By May 30, 2026 please submit cover letter, resume, and any additional relevant material to:
