

# NEW MEMBERS NEEDED

Heath Cultural Council is actively recruiting volunteer members with compatible skill sets to join our team in FY2023. If you live in Heath and have worked on a cultural council, served as secretary of an organization, and/or have a background in the visual arts, creative writing, theater, film, or the sciences, this is a great opportunity to contribute to the creative and cultural vibrancy of our town and the surrounding area.

For information, contact Barbara Gordon at [\*heathculturalcouncil@gmail.com\*](mailto:heathculturalcouncil@gmail.com).
