

# **Heath Free Public Library**

## **Open House Strategic Planning Party**

**Saturday, November 18th Noon - 2pm**  
**at the Jacobs Road Municipal Center**

**Calling all Heathens and Heath Library users! You are invited to join the Heath Free Public Library for an Open House at noon on Saturday, November 18, 2023. There will be food, music, and a History of the Heath Library Display replete with fun photos and artifacts!**

**The library will be sharing a draft of our strategic plan and we are looking for your feedback about the priorities and goals we have identified to guide the library's programs and services over the next five years.**

**You will be asked to do some thinking, writing, and sharing, but the Friends of the Library are generously providing healthy and tasty finger foods to fuel this collective!**

**Can't make it on the 18th but still want to participate? Please contact the library to find out more.**
